The rates are based subject to EU Emission Trading fees for rates validity beyond or starting as from 1st January, 2024. The rates are based upon FOB, Ocean-freight and PLC rates that are currently available. However, should certain rate elements such as, but not limited to, GRI's, Peak Season, new assessorial charges, or other unforeseen developments and circumstances occur in any of the quoted trade-lanes, causing the market FOB, Ocean-freight or PLC rates to changed, rates will apply as per local market terms & conditions. In the event of a Force Majeure Event, the data herein provided may be withdrawn in whole or in part by the WorldWide Alliance and the obligation to perform may be suspended until the Force Majeure Event has been resolved, dissipates, or otherwise no longer effects the ability to provide the services at the quoted rates.
